Introduction

Fern Jones, Catherine Green, Sarah Row and Stephanie Harasym

We are a small friendly team in Colwyn Bay with over 30 years experience. Specialising in laser treatment, advanced cosmetic procedures, slimming and specialist facials, as well as all aspects of beauty.

We are open 5 days a week with late night bookings available, we offer a loyalty card scheme to help save you money and gift vouchers are available on request.

We are happy to discuss your treatment requirements and answer any questions you may have regarding our treatments within a consultation appointment.

A consultation fee of £40 payable at the time of booking is required to secure your appointment time.

We ask that all clients aim to arrive at least 5 minutes prior to their appointment. Late arrival may mean we need to amend/reschedule your appointment. Full payment will be required.

We politely request that all course bookings are utilised within 12 months of purchase date, after which will no longer be valid.

Please note we also have a strict 6 month expiry date for gift vouchers.

Cancellation Policy

In order for us to provide an efficient service, we may request a non-refundable deposit to secure your booking.

When insufficient notice is given to cancel an appointment or due to non attendance, we reserve the right to request full payment in advance to secure any further bookings.

We request that all children under the age of 16 are supervised by an adult. Children are not allowed in the laser room.

Permanent Hair Removal

Electrolysis Permanent removal of unwanted hair

Electrolysis utilizing the blend method, a combination of heat and chemical electrolysis to reduce and destroy unwanted hair growth. We use sterile needles for every treatment. Suitable for all skins types and hair colours.

		10% discount on courses	
10 minutes	£35.00	Course of 10	£315.00
20 minutes	£45.00	Course of 10	£405.00
30 minutes	£65.00	Course of 10	£585.00

Laser Hair Removal

We can treat actively growing hairs with a short pulse of intense pulsed light laser. The light energy heats the pigment and effectively destroys the hair follicle. Best results are often achieved with clients who have fair skin and dark hair. We recommend at least 8 sessions every 4-8 weeks.

Laser Solutions

Consultation procedure

Prior to any laser treatment your qualified laser specialist will provide a full consultation, which identifies your expectations and provides a complete explanation of your treatment. Medical history is taken to confirm your suitability for treatment and if you wish to proceed, a written informed consent is obtained and a test patch is performed to confirm that there are no adverse reactions to the light.

Consultation and test patch *payable at time of booking

30 minutes

£40.00*

Facial thread vein treatment from £110

A long term solution Reduce overall facial redness and reduce blushing. Be rid of embarrassing broken veins or red spots. Have a clearer, fresher, brighter looking skin. Suitable for face neck and chest, using laser light to heat the vessels to a point where they are destroyed.

Leg Thread veins From £110

We can treat fine and large leg thread veins between 1-3mm in size. Using the laser light to heat the vessels to a point where they are destroyed, leaving them to disperse back into the body leaving you with clearer skin and a more confident you again.

Tattoo Removal from £60

Do you wish you never had a tattoo in the first place? Need to fade down your tattoo for a cover up or need it removing to pursue your career? A medically approved method using our Q switch Laser to break down the ink particles to work with your immune system to disperse the ink over a series of treatments.

Pricing guidelines up to and including

5cm x 5cm	From £60
7cm x 7cm	From £80
9cm x 9cm	From £100

The above listed parameters prices on quotation. Based on black ink tattoo, colour prices may vary.

Semi Permanent makeup and microblading removals from £100

Q Switched Lasers are considered by dermatologists to be the most effective, safe and reliable way to remove/reduce unwanted semi permanent cosmetic ink.

Pigmentation removal from £110

You want a more even skin tone? Want to reduce areas of excess freckling? You want to target a specific age spot? The rapid absorption of the light energy heats the melanin and causes the destruction of the melanin rich cells. We will advise skin care for you to keep pigmentation to a minimum after treatment and for better skin health.

Laser Solutions

IllumiFacial® Your Natural Filter £295

Known as our magic miracle facial we combine a chemical peel with Intense pulsed light or Laser to target sun damaged skin such as pigmentation, broken capillaries and dull, dry, tired skin. We are aiming to reduce the pigmentation and broken veins and encouraging collagen and elastin production resulting in a clearer more even skin tone and texture. Leaving you with a more uniform, youthful complexion, skin becomes firmer, appears more radiant and enlarged pores are reduced.

Course of 6 recommended - treatment every 2-4 weeks.

Course of 6 £1500 (15% discount)

Acne Blast

We combine an individual homecare programme with a chemical peel and Intense pulsed light therapy treatment that directly targets overactive sebaceous glands. Reducing the number of active spots and blockages, lessening the inflammation and occurrence of breakouts and also encourages healing. Resulting in time clearer, calmer skin.

For active acne and acne scarring on face, neck, chest or back areas.

Course of 6 recommended- treatment every 2-4 weeks.

Prices start from £150. Consultation and patch test required.

Fungal nail treatment £160 Course of 4 £576

An effective treatment to destroy fungal nail infections for hands and feet. Light is absorbed by the water in the skin under and around the nail creating heat to destroy and eliminate the fungal infection over a series of treatments. We treat all nails to ensure full elimination of the fungal infection and provide homecare for maximum effect.

Recommended every 3 weeks for best results.

Plantar verrucae and wart removal from £155

Long pulsed laser treatment uses a deep penetrating beam of light to create an intense heating sensation, helping to destroy wart and verruca tissue.

Advanced Cosmetic Procedures

Advanced Cosmetic Electrolysis

We can remove moles, skin tags, seborrheic warts, blood spots, milia and broken capillaries. Consultation is needed prior to treatment. Treatment is discussed and quoted on consultation.

Prices start at £150 Consultation £40

LED Photo Therapy Treatment

Combining well known powerful healing benefits of red light and near infra red light that refines, brightens and rejuvenates, with infusions of our key actives. A comforting facial with immediate results for all skin types. Especially good for acne, rosacea and ageing skins.

1 Hour £85

Genie Mediwave Non-Surgical Facelift

This facial works on electrical impulses to re-educate the muscles back to their original position combined with micro-current which has healing properties allowing natural production of protein synthesis (elasticity of the skin) and Fibroblast activity (collagen production) giving the skin a firmer smoother, healthier look, reducing fine lines and wrinkles and resulting in lifting to the face and neck.

1 Hour £80 / Course of 10 £720

Deep Cleansing and Rebalancing Facial

Combining the deep cleansing actions of Galvanic Desincrustation, calming Iontophoresis, germicidal, toning and refining effects of high frequency producing ozone resulting in a clearer, smoother, deeply cleansed skin. Ideal for the removal of blackheads, spots and milia.

1 Hour £80

Before

After 10 LPG sessions
(6 weeks of treatment)

LipoMassage™ by Endermologie®

35 Minutes

£65.00

This quick, non invasive treatment has been scientifically proven to help you banish bingo wings, lose those love handles, reshape your bum and watch cellulite disappear in no time. The treatment works by re activating lipolysis (the process of breaking down fats and other lipids) by mechanically stimulating the skin to erase fat and imperfections. A course of 10 is recommended at the rate of 2 a week. The remarkable results with this method can be objectified by taking photos before and after treatment. **Course of 10 £585.00**

Quick Slim Body Wrap

1 Hour

£55.00

In a little over an hour you can feel your best and fit into your clothes. This treatment consists of applying a quick slim body gel to help remove toxins and fluid retention. We wrap you in bandages to act as compression, then you are wrapped in a thermal blanket on a warm bed for 20 minutes to let the gel activate. Instant inch loss, great results for that special occasion or part of a slimming regime. **Course of 10 £450.00**

Leg's, Bum's and Tum's Slimming Treatment

30 Minutes

£60.00

Our genie treatment uses specifically developed electronic wave shapes to provide immediate verifiable results. Excellent for body reshaping and slimming, muscle toning, tightening and cellulite reduction. **Course of 10 £540**

Relax Completely

Deep Tissue Massage - Alleviate stress, ease aching muscles and revive your senses.

30 minutes £50.00

1 hour £80.00

Hot Stone Therapy Massage - A very effective massage using heated black basalt stones that help to relax the body at its deepest level, creating harmony and positive energy flow.

30 minutes £65.00

1 hour £95.00

Pregnancy Massage - Relieve stresses and strains, heavy legs and an aching back with this all over body treatment. Includes relaxing and rejuvenating full scalp and facial massage.

1 hour £80.00

Reflexology - Unique system of foot massage based on holistic principles, arising from the same Chinese roots as acupuncture. By local massaging of the reflexology points, we can redress the imbalance of energy which can cause stress and ill health.

45 minutes £55.00

Hopi Ear Candling - Relaxing treatment to aid the relief of congestion, sinus problems and migraine. Head massage included.

45 minutes £45.00
